

ImpactusAll MVP - Continue from Phase 1

Copy and paste this into your new conversation:

Hi! I'm continuing work on the ImpactusAll MVP project. Here's the context:

GitHub Repo: <https://github.com/MrD-D-tech/impactusall-mvp>

Local Project Path: `/home/ubuntu/github_repos/impactusall-mvp/nextjs_space/`

Current Status:

- ☒ Platform Admin Phase 1 is COMPLETE and deployed
- ☒ Production site is live at <https://impactusall.abacusai.app>
- ☒ Database migration applied successfully
- ☒ Manchester United donor hub is working

What I Need Help With:

[Describe what you want to build next - e.g., "I want to build the Charities Management page for the Platform Admin dashboard"]

Important Files to Review:

1. Full handover document: `/home/ubuntu/github_repos/impactusall-mvp/HAN-DOVER_PHASE1_COMPLETE.md`
2. Quick reference: `/home/ubuntu/github_repos/impactusall-mvp/QUICK_START_NEXT_PHASE.md`

Please read these files first, then help me with the next phase!
